

JUNIPER SALON

Fill the chair. Skip the chase.

A safer way to offer last-minute appointments, one client at a time.

Working Temporal prototype

For Lena and Carla

The gap grows while staff are busy

SCAN

TEXT

REMEMBER

A reply sits unanswered. Nobody reaches the next client. The chair stays empty.

Lena's priority

Clear messages. No double-booking.

One opening keeps moving

Temporal remembers the next step while staff serve clients.

OPENING CONTROL

Haircut with Avery
